A message from the Headteacher...

What a fantastic week we have had here at school. The children have returned from half term ready to learn and are continued to demonstrate their wonderful learning behaviours - there are bees everywhere!

This week has seen the start of our new after-school sport club programme. The children really enjoyed the archery on Tuesday evening and I look forward to seeing the Street Dancers this evening.

Tomorrow (Friday) children will be starting a six week programme on the theme of 'Fitrition' a healthy living and well-being programme. All children from Pre-School to Year 2 will have an hour of learning and experiences designed to help them understand the importance of healthy diet and life choices.

Next Thursday is World book day. Children may dress up as their favourite book character and bring the book in with them to share. Teachers have planned a brilliant book themed day for the children to enjoy.
